BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF THE FILING BY)	CASE NO. IPC-E-02-8
IDAHO POWER COMPANY OF ITS)	
2002 ELECTRIC INTEGRATED)	MOTION FOR THE COMMISSION TO
RESOURCE PLAN (IRP).)	TAKE ADMINISTRATIVE NOTICE OF
)	THE GARNET REPORT
_____)	

COMES NOW, Idaho Power Company ("Idaho Power" or "the Company"),
and hereby requests that the Commission take administrative notice in this proceeding
of the ***Report to the IPUC of Replacing the Garnet Power Purchase Agreement***
("PPA") filed with the Commission on October 30, 2002 (Garnet Report). This request
is based on the following:

1. Contemporaneous with the filing of this Motion, in accordance with
Order No. 29085, Idaho Power has filed the Garnet Report outlining the Company's
plans for replacing the Garnet PPA in the Company's resource stack.
2. As noted in the letter transmitting the Garnet Report to the
Commission, the Garnet Report contains trade secrets as that term is defined in Idaho

Code § 9-340D. As a result, portions of the Garnet Report are presented to the Commission as confidential documents. The redacted version of the Garnet Report, which does not contain the commercially-sensitive information, has been included with the Company's Reply Comments in this case, and copies have been served on the commenting parties in this case.

3. As noted in the Garnet Report, the Company is currently pursuing several wholesale firm purchase contracts and exchange agreements. As those contracts are concluded, they will be presented to the Commission for approval for ratemaking purposes. In addition, upon execution of appropriate confidentiality agreements, the Company is willing to provide periodic updates to the Commission Staff on the status of the contract negotiations and the timing for the issuance of RFPs for additional generating resources to supplement any wholesale purchase contracts and exchange contracts.

4. Idaho Power hereby requests that the Commission take administrative notice of the Garnet Report in making its ultimate determination as to whether or not to acknowledge the Company's 2002 IRP. Idaho Power is hopeful that the Commission can expeditiously make a determination as to whether or not to acknowledge the 2002 IRP as supplemented by the Garnet Report.

Based on the foregoing, Idaho Power respectfully requests that the Commission:

1. Take administrative notice of the Garnet Report in its consideration of the Company's 2002 IRP filing; and

2. Expeditiously acknowledge the Company's 2002 IRP and conclude this docket.

Respectfully submitted this 30th day of October, 2002.
